

## cerasonar 10040 sub

The cerasonar subwoofers are the natural complement of our speakers. The cerasonar 10040 sub are the ideal choice for bass demanding applications like home cinema. They have an integrated backbox to ensure consistent quality in every installation situation. To be screwed directly on the studs, through the pre-drilled holes in every side, replacing the standard drywall panels and can be plastered up to 2 mm.

### CAD details
