335lb (152kg)

Video Conferencing Solution

FOR 55" TO 80" DISPLAYS

Thanks to technology advancements and the increased cost of travel, video conferencing is quickly becoming commonplace in business around the globe. Peerless-AV's floor to wall solution makes implementation of video conferencing equipment that much easier. The mount's sleek design, compatible with any office decor, provides internal cable management and plenty of space for hardware storage. Two 2RU drop down racks, hidden behind the displays, are easily actuated and lowered below the display for easy service access. Displays in the 55" to 80" range can be set at the desired viewing angle with the camera shelf set accordingly.

Peerless-AV's sleek floor to wall solution for video conferencing equipment offers flexible installation options and a sleek design.

Additional Features

- ✓ Cables run discreetly through the uprights for a clean, clutter free appearance
- ✓ Flexible design secures to both a raised floor and concrete floor
- ✓ Height adjustable camera shelf provides flexibility when mounting larger displays or adjusting the viewing angle
