

CASING SPECIFIC OMN-D SAMSUNG CEILING EXTENSION KIT

Extend the message.

The Casing Specific Samsung OMN-D Ceiling Extension Kit is a set of two 500 mm extension pillars, especially made for our [SMS Casing Specific OMN-D Ceiling mount](#). In dark grey and anodized aluminum, the extension pillars blend in perfectly with the main unit.

Several extension kits can be mounted together, each for a 500 mm step, if the ceiling is high.
