

LEDDY WALL

A touch of Scandinavia

Giving your LED display a smart furniture feel

SMS Leddy is a flexible product that can easily adapt to new configurations and all-in-one LED display solutions. These pre-configured stands are designed to fit many of displays from the leading LED manufacturers. An elegant Scandinavian design with a wooden frame makes it easy to integrate the product with the surrounding environment. SMS Leddy comes extensively pre-mounted for easy installation and is ADA compliant.

SMS Leddy Wall is perfect in small spaces where a bracket with legs are in the way.
