

PRESENCE SPEED MOBILE

Feel the smoothness

Easy, smooth and quiet manual height adjustment

SMS Presence Speed Mobile is attractive and elegant from all sides, and well suited for placement in the centre of the room. One of the best features is the clever manual height adjustment, thanks to the integrated BalanceBox. No electrical power is needed for the height adjustment of SMS Presence Speed Mobile.

SMS Presence Speed Mobile is designed for displays between 60 and 90 kg, perfect for touch displays. The display can be locked with the accompanying locking screw for personal safety, or with a padlock (not included) which provides increased protection from theft. The design of SMS Presence is protected.

Finish: Aluminum/Dark Grey. Stroke length: 400 mm. Display weight range: from 60 to 90 kg.
