

SMS PRESENCE

WALL/FLOOR VIDEO CONFERENCE

Elegant and yet with both feet on the ground

Do you need to mount two large, heavy displays on a regular wall? With a quick, easy and stylish installation too? The SMS Presence Wall/Floor Video Conference makes it all possible, the perfect support in the conference room.

SMS Presence Wall/Floor Video Conference combines our unique Presence solution which completely hides cables and peripherals inside the body of the stand, with a smart design that shifts the weight to the floor. This ensures that the stand itself uses very little floor space and you can mount very heavy displays on a regular wall.

The display can be locked with the accompanying locking screw for personal safety, or with a padlock (not included) which provides increased protection from theft.

The design of the Presence series is, furthermore, protected.

▲ QUESTIONS AND ANSWERS:

How do I get access to the cables and equipment inside the stand?

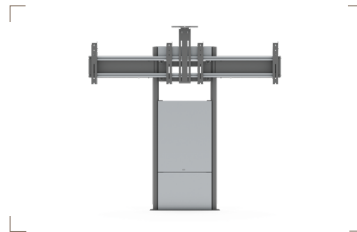

– Removable magnetic covers on the front of the product make it easy to gain access to cables and other media equipment.

Is my camera equipment compatible with the product?

– Yes, the SMS Presence Wall/Floor Video Conference can be used with any camera. A camera shelf is included!
